We will be learning about length and perimeter, fractions and mass and capacity.

We will also practise our times tables -LOTS!

Science learning:

We will be completing science topics on light

Computing learning:

We will be learning to send emails

Geography learning:

Our topic will be 'Extreme earth'. We will learn about the layers of the earth, volcanoes and earthquakes

DT learning:

Mechanical systems - levers and linkages. Creating a litter picker

P.E learning:

Team games

Spanish learning:

To compose sentences using 'I know how to...' and 'I do not know how to...'

Music learning:

Painting pictures with sound

PSHE learning:

We will be looking at healthy me, being and keeping safe and healthy.

RE learning:

Our topic will be 'Why do people pray?'

What else can I do at home?

- Read everyday
- Practice times tables: children need to know them all fluently up to 12 by the end of year 4. This includes division.
- Go onto the BBC Bitesize page and watch the videos on light.
<https://www.bbc.co.uk/bitesize/topics/z3nnb9q/articles/zpnvf82>
- Read and discuss non-fiction texts and look at how the writing is organised.
- Read biographies of famous people - look at that they include.
- Listen to music and try to identify the instruments you can hear.
