

Can you hop, skip or jump?

Woody the bear would love you to raise funds for this amazing local charity by spending some of your holiday taking part in a special challenge.

All he asks is that you choose a distance – round the park, round the garden, to the shops, and hop, skip or jump your way. Ask your grownups if they will sponsor you to complete the challenge.

This week your child will bring home an activity pack, with lots of activities to keep them busy over the holidays and a donation / sponsorship envelope.

Everyone will receive a certificate for taking part. There will be prizes for the two children who raise the most in each class and there is a chance that Woody will come to say well done!

If you manage to complete the challenge please can you make sure that all donation envelopes are returned by **Wednesday 19th April**.

Good luck and have fun!!!
