Dear Parents/Carers

Re: - Increase in RSC Fees

First of all, allow me to thank you for being such a loyal and consistent customer to Ravensfield School Club, over the years. Your satisfaction is very important to me and I hope we have been successful in providing you with excellent childcare arrangements.

I am writing to inform you as from Monday 1st January 2026, the price of club fees will increase to: -

AM = £6.50 per session

PM = £10.00 per session

I understand this may not be a popular decision and I would assure you it has not been taken lightly, our last increase in fees was 2021. However, I have to make difficult choices to ensure that our club continues to provide you with the quality of childcare you expect.

If you have any questions please don't hesitate to contact me immediately.

Yours faithfully

Mrs Kennedy
